LEVEL OF SUPPORTS

Level 1 – Dedicated one-on-one support with self-care and activities for the duration of your stay. 1 worker – 1 client.

- Active assistance with all daily tasks
- Active Management of complex medical needs (upon agreement)
- If higher staffing ratios is required for episodic or incidental behaviour supports or emergency medical needs (e.g., seizure management or discharge from hospital) this may attract additional fees.

Level 2 – Frequent assistance and supervision with self-care and group activities. 1 worker – 2 clients.

- Active assistance or supervision of most daily tasks.

Level 3 – Intermittent prompting and supervision with self-care and group activities. 1 worker – 3 clients.

Level 4 – Minimal prompting and supervision with self-care and group activities. 1 worker – 4 clients or more.

If, after admission, a client is assessed to require a level of support that exceeds the level indicated at the time of booking a service due to incomplete or inaccurate information being provided, Australian Quality Care reserves the right to charge the client at the appropriate level of support, as indicated on the schedule of rates.
